

19th International Symposium of Adapted Physical Activity

PHOTOGRAPH CONTEST

Aykan Özener

He was born in 1964 in Balıkesir. He took up photography during his high school years and he began taking photographs in 1983 professionally.

In 1987, he became a member of AFSAD (Ankara Association of Photography Artists) and he set out new journeys in photography. After working with AFSAD from 1987 to 1995, he started working individually. Meanwhile, he graduated from the Department of Classical Archeology, Selçuk University, Konya. He also completed his MA on archeology photography in Canakkale Onsekiz Mart University. He shares his experiences and knowledge on photography with his students in the Faculty of Fine Arts and Photography Department at Canakkale Onsekiz Mart University since 2000. He also mentors students from a variety of departments as the academic advisor of the Photography Club (COMUFOT), which he himself founded.
